A Poster Show Dedicated to Social, Economic, and Racial Justice

The third I Heart Justice arts exhibition features works of art by 20 Texas artists. The event is free and open to the public. Guests will enjoy complimentary food and drink. The poster event supports Texas Appleseed's justice work. Texas Appleseed is a nonprofit that promotes social, economic, and racial justice for all Texans. The limited-edition 24"x36" prints on display for the exhibition are also available onsite for \$100, with all proceeds benefitting the nonprofit. For the location, participating artists, and more, visit [**www.IHeartJustice.org/Events**](http://www.IHeartJustice.org/Events).

About Texas Appleseed

Texas Appleseed is a public interest justice center. Our nonprofit works to change unjust laws and policies that prevent Texans from realizing their full potential. We anchor a dynamic network of pro bono partners and collaborators to develop and advocate for innovative and practical solutions to complex issues. Texas Appleseed also conducts data-driven research that uncovers inequity in laws and policies and identifies solutions for lasting, concrete change. When justice is beyond reach, Texas Appleseed provides the ladder. To learn more about our work, visit [**www.TexasAppleseed.org**](http://www.TexasAppleseed.org).
